The Mission of the Town of Beekman, Recreation and Parks Teen Leadership Council is to give Beekman teens the chance to make decisions about their own participation and programs and to encourage teens to assume responsible roles in the community.

An adult partner serves as the Teen Advisor who facilitates the group of teens as they develop projects, activities and trips that meet their interests; helps them develop related skills; and guides them in securing the resources they need to carry out their goals.

Funded by NYS Office of Children and Family Services, the Dutchess County Youth Bureau and the Town of Beekman
