

## **HEAVY EQUIPMENT OPERATOR**

The Beekman Highway Department has a full time heavy equipment operator position available. This position requires you to perform physical maintenance as well as having knowledge in operating heavy equipment. All applicants must currently hold a valid Class B CDL license as well as have knowledge in operating a heavy dump truck with a snow plow, backhoe, as well as a loader.

The position requires applicants to work a 40 hour work week plus long overtime hours during inclement weather. Please contact Tony Coviello Town of Beekman Highway Superintendent for more information at 845-724-5300 extension 210 or employment applications can be downloaded here:
